Sir,

NATIONAL EXTENSION SERVICE: National Extension Service. blocks-Participation by students of Karnataka Polytechnic Mangalore in the mapping surveying and preparation of estimates in Block Development areas-Sanction of necessary expenses-towards boarding and lodging of the students Requested-

--

There are a lot of works under Rural Water Supply and Communications in which surveying, mapping and preparation of estimates have to be done under the National Extension Service. The Supervisor cum Junior Engineers do not find sufficient time to attend to all these works. Occasionally the final year civil Engineering students of the Karnataka Polytehhnic Mangalore offer their services to do the work subject to the condition that their lodging and transport expenses are met. There is no provision to meet such expenses at present under the National Extension Service.

2/-I request that the Government may be pleased to accord sanction for incurring necessary expenses towards boarding and lodging of the students whenever their services are engaged for attending to the work stated above.

Yours faithfully,

For Collector.
